Dana's Toy Drive

It's my birthday soon! Please join me in a holiday toy drive for the clients of Children's Bureau!

Children's Bureau supports the children of our community by supporting their families. With our collection of gifts, I hope to provide fun games, toys, bicycles, books, and even new clothing to our community clients! The best part is that we treat parents and caregivers to a festive "department store setting" where they can browse and select the special gift for their child. The cherry on top is that we offer a wrapping station if they would like us to wrap their presents to take home.
