# GUIDING PRINCIPLES TO IMPROVE MANDATED REPORTING

WEDNESDAY, APRIL 16  
10:00AM - 11:30AM  
VIA ZOOM

## This workshop will cover how shifts from “Mandated Reporting to Community Supporting” have the ability to:

- Streamline referrals to families in need of support.
- Relieve an overburden system to protect children in danger.
- Incentivize prevention by reducing the fear of asking for help.
- Reverse trends that destabilize families of color.

### **Presented by Adam Seiden**

Director of Policy Advocacy & External Engagement, All For Kids  
Subcommittee Member, CA Mandated Reporting to Community Supporting Task Force – Narrowing the Legal Definition of Neglect

April is Child Abuse Prevention Month - a time to raise awareness and take action to protect children and create safer communities.
