Originally founded in 1982 as a funding resource for Children's Bureau, now known as All For Kids, the All For Kids Golf Tournament continues to uphold a proud tradition of supporting children and families. This tournament, formerly called the President's Invitational Golf Tournament, remains central to our mission of nurturing child well-being through prevention, collaboration, and compassion. Led by a committee of senior executives, partners, and directors from Los Angeles' business community, the tournament has raised more than \$10 million to ensure children thrive in strong families and connected communities.
